The undersigned further proposes to perform all work as selected by the Owner and furnish and pay for all equipment in accordance with the Contract Documents, within the time limit specified, for the following Bid Package if awarded by the Owner:

BID PACKAGE #2 - Window Replacement

in figures \$ 236,400.00

in words TWO HUNDRED THIRTY SIX THOUSAND FOUR HUNDRED DOLLARS

The undersigned, pursuant to the rights reserved by the Owner, under the Request for Proposal as to rejection of bids and as to award of Contract, agrees to accept the award of said Contract and hereby agrees to enter into a Contract within 7 days after due notification from the Owner of award of the Contract, and further agrees to furnish all labor, tools, materials, fixtures, components, and equipment, perform all services and comply with all terms and conditions established by the Contract Documents.

The undersigned agrees that if he is awarded this Contract, he will commence construction within 14 calendar days after receipt of signed contract and will be substantially complete with all work within 24 weeks from the date of the contract award, at which time the Owner will have full beneficial use of all windows in this building. Final Closeout shall occur within 4 weeks of substantial completion or the liquidated damages shall be reinstated until the project is fully completed and all documentation and programming is approved and accepted by the Owner.

Should the Contractor neglect, refuse, or fail to complete the work within the time specified, after all extensions of time granted by the Owner have been added, then in that event the Owner shall have and is hereby given the right to deduct and retain out of such monies which may then be due, or which may become due and payable to the Contractor for the work to be done under this Contract, an agreed upon sum equal to Five Hundred Dollars (\$500.00) per

Work practices will insure reasonably quiet activities that do not prevent normal office activities. The intent is for work to occur during normal business hours. Any service interruptions must be scheduled at least 72 hours in advance by the Owner. Upon reasonable notification from Contractor the Owner will arrange for after hours access to facilities as needed to comply with requirement for nearly normal use of facility.

Enclosed herewith is a (Certified Check) (Cashier's Check) or a solvent bank (5% Bidder's Bond) in the amount of 5% of Bid DOLLARS (\$), made payable to the Owner as a guarantee of good faith and which the undersigned hereby agrees shall be retained as liquidated damages by the Owner should the Contractor fail to furnish a Performance Bond written by good solvent in a surety company doing business in the State of Tennessee and acceptable to the Owner. The Performance Bond shall be in an amount equal to the gross amount of said Contract, and the Performance Bond shall be made and Contract shall be signed within 2 weeks after date of due notification from the Owner of award of the Contract, and the check shall be returned to the undersigned upon the signing of the Contract and delivery of the required number of copies of approved Performance/Payment Bond to the Owner.

In submitting this proposal, it is understood that the right is reserved by the Owner to reject any and all proposals and it is understood that this proposal may not be withdrawn for a period of 90 days after the scheduled time for receipt of proposals.

The undersigned declares that GRINDER BLDG. CORP. is the only person, firm or corporation interested in this proposal, and that no other person, firm or corporation than the one herein named has any interest herein or in the Contract proposed to be taken; that it is made without any connection with any person, firm or corporation making proposal for the same work, and that it is in all respects fair as to the work bid upon and without collusion or fraud; also that no officer or employee of Shelby County Government who is excluded by law from participating therein, is directly or indirectly interested herein, or in furnishing of the supplies or doing the work to which it relates, or in furnishing surety, or in any portion of the profits thereof.
